What is the Chester County Chamber?

The Chester County Chamber of Business & Industry is a non-profit membership based organization focused on serving the business needs of over 1,000 business members in the Chester County region. We strive to represent the area's business and community interests through actively promoting a pro-business climate in our region. We are a pro-active force in the community that seeks to promote Chester County as a premier place to live and work.

Our Vision: The vision of the Chester County Chamber of Business & Industry is to be the premier "voice of business" acting as a catalyst for economic prosperity and to be the developer of tomorrow's business and community leaders.

What are the benefits of being a member?

- **Connections:** Who you know does make a difference! The Chamber holds regular networking events, including breakfasts, lunches, business after hours and social events that provide members with valuable contacts and business opportunities.
- **Referrals:** We receive hundreds of phone calls, mail requests and website "hits" each year. Only members of our organization are given free referrals to these potential customers. What a great way to drive business to your door!
