Chamber Celebrates Summer, Thanks Committee Volunteers

Summer is here - That means it is time again for the Chester County Chamber of Business & Industry’s Annual BBQ Bash! This event isn’t just an opportunity to connect with the county’s leading professionals while enjoying great food and drink, it’s a chance for the Chamber to acknowledge the dedicated service of our committee volunteers.

Anyone who has seen the Chamber in action—whether at a networking event, a training program, or an advocacy roundtable—knows that the real strength of the Chamber comes from the dedication of our members. Committee involvement is just one way that our members share their time, knowledge, and expertise to help one another succeed professionally and continue to make our region the best possible place to live and work. Simply put, the Chamber would not be possible without your service!

That’s why we’re giving complimentary tickets to all active committee members! $20 for Chamber members, $40 non-members.

WHO IS IJM? International Justice Mission (IJM) is a U.S.-based non-profit human rights organization that protects the poor from violence throughout the developing world. IJM partners with local authorities to rescue victims of violence, bring criminals to justice, restore survivors, and strengthen justice systems. You can find out more about IJM on their website (ijm.org).

WHAT IS HUMAN TRAFFICKING? Human trafficking is defined as “the illegal practice of procuring or trading human beings for the purpose of prostitution, forced labor, or other forms of exploitation.” To put it another way, human trafficking is modern day slavery, and it is thriving. According to the 2014 findings of the Global Slavery Index (GSI), there are 35.8 million people enslaved in modern day slavery. The International Labor Organization reports forced labor (including sex trafficking) generates $150 billion annually.
